Subject - Appointment of Vaccinator to Davanagere City Municipali-ty.

I write to state that Sri M Abdul Khader was a vaccinator in this Municipality and attained Superannuation on 15-7-53 Hence he was ordered to be retired from that date

The Director of Public Health was requested to post a qualified va-ccinator in the vacancy and he replied that qualified vaccinators are not available and in their place only Jr Health Inspector may be sent He requested me in his letter No CE 2 -97/53-54 dated 20/21-8-53 that sanction of Government may be obtained for conversion of the post place of Vaccinator to that of a Jr Health Inspector for facilitating his post In view of the present bad finances of this Municipality such conversion with the increased recurring expenditure is not possible

The Superannuated Vaccinator Sri M Abdul Khader is quite fit to do his work Since no vaccinator has been posted so far and as vaccination work has to be attended to daily,he is continued as such and the work turned out is satisfactory He has also applied for being re-employed as Vaccinator in the existing vacancy The Health Officer of this Mu-nicipality has recommended for re-employment of this official pending availability of a qualified vaccinator

Since such a reemployment of this superannuated official, also saves further expenditure to the Municipality, the Municipal Council has at its meeting held on 29-11-53, as per extract of resolution No 52, enclosed, that Sri M Abdul Khader may be re-employed in the exist-ing vacancy He will be re-employed for a further period of three

years
